

Institut Mines-Télécom

OUR PARTICIPATION IN EUREKA CELTIC-PLUS

WHAT IS CELTIC-PLUS?

- Celtic-Plus is an industry-driven European research initiative/ research programme to define, perform and finance through public and private funding common research projects in the area of telecommunications, new media, future Internet, and applications & services focusing on a new "Smart Connected World" paradigm.
- Celtic-Plus is a EUREKA ICT cluster and is part of the inter-governmental EUREKA network
